CITY COUNCIL MEETING OF
August 6, 2008
VERBATIM TRANSCRIPT – ITEM 94

16 **MAYOR GOODMAN**

17 We'll call 94. Ninety-four is SUP-27424, Special Use Permit. The applicant is Cricket
18 Communications. The owner's Nevada Power Company, request for a special use permit for the
19 proposed co-location of antennas and 10-foot extension to an existing 60-foot tall wireless
20 communication facility, non-stealth design at 600 North Eastern Avenue in Ward 3. Yes, Sir?

21

22 **JASON FRAYER**

23 Good afternoon. Jason Frayer, on behalf of the applicant, 1181 Greer. This is adding a 10-foot
24 extension, three antennas onto an existing 60-foot monopole on a Nevada Power substation, as
25 already mentioned. We agree with all staff's recommendations and conditions and happy to
26 answer any questions.

27

28 **MAYOR GOODMAN**

29 All right. Any questions of the gentleman?

30

31 **COUNCILMAN REESE**

32 I don't have any questions, a comment. I can approve everything, except the 10-foot extension;
33 60-foot is high enough.

34

35 **JASON FRAYER**

36 Okay. The reason we're asking for the extension is you have two carriers on this already –

37

38 **COUNCILMAN REESE**

39 That's enough.

40

41 **JASON FRAYER**

42 – and it's – 30 feet –

43

44 **COUNCILMAN REESE**

45 – no ten feet.

CITY COUNCIL MEETING OF
August 6, 2008
VERBATIM TRANSCRIPT – ITEM 94

46 **JASON FRAYER**

47 We're limited at what we do right here, because there are no other options. Well –

48

49 **COUNCILMAN REESE**

50 This is what we hear all the time. There is no other option. This is what we have. And we just
51 keep – going up higher and higher and higher and higher and higher. They're uglier than Hades,
52 and I hate 'em. And, if you can go with 60 feet, fine; if you can't, we'll deny it.

53

54 **JASON FRAYER**

55 At 60 feet, there – is already a carrier there.

56

57 **COUNCILMAN REESE**

58 There's two carriers?

59

60 **JASON FRAYER**

61 Correct. There's a carrier at 60 feet, and there's a – carrier at 50 feet, as this shows, and it's a
62 photo simulation of what the extension would be.

63

64 **COUNCILMAN REESE**

65 My **motion is for denial of this item**, please.

66

67 **MAYOR GOODMAN**

68 All right, before we vote on that, it's a public hearing, would anyone like to be heard? All right,
69 seeing none, we'll close the public hearing. There's a motion. Let's vote, please. Post. Motion
70 carries. (**Motion to deny carried unanimously.**) Thank you.
